SAFETY INFORMATION

Before bender is set up for operation, mount on work bench or stand.

***IF BENDER IS MOUNTED ON ITS OWN STAND, SECURE STAND TO FLOOR.**

MAINTENANCE

Keep machine surfaces clean and free of debris. Periodically add grease in grease fitting. Lubricate chain as needed.

THE ART OF BENDING

FOR A COMPLETE DESCRIPTION OF 20 BENDING OPERATIONS WITH CLEAR STEP-BY-STEP ILLUSTRATIONS OF EACH, ORDER THE 20-PAGE DIACRO "ART OF BENDING" CATALOG WITH OVER 90 DIAGRAMS AND CHARTS TOGETHER WITH VALUABLE TOOLING SUGGESTIONS.

RATCHET AND DIRECT OPERATION

RATCHET OPERATION

For clockwise operation of the Di-Acro No. 4 Bender, engage check pawl (B) and disengage check pawl (C). Remove stop pin (F) from hole (D) and place in hole (E). For counter-clockwise operation, engage check pawl (C) and disengage check pawl (B). Remove stop pin (F) from hole (E) and place in hole (D).

CAUTION

STOP PINS MUST BE USED AS DESCRIBED ABOVE WHEN USING THE RATCHET MECHANISM. FAILURE TO DO SO CAN RESULT IN SERIOUS BODILY INJURY.

DIRECT OPERATION

For direct drive operation without the ratchet, disengage both check pawls (B) and (C). Remove handle (H), place handle holder (I) in neutral position between holes (D) and (E). Insert stop pins into both holes.

QUIK-LOK INSTALLATION AND OPERATION

To mount Quik-Lok Clamp on Di-Acro No. 4 Bender for clockwise forming, insert 3/8" dowel pins (K) and (K-1) in holes to bender base casting. Bolt in position with 1/2-20 hex screws (L) and (L-1) inserted from the bottom side of base.

To adjust for material size, radius of bend and clamping pressure; loosen 1/2-20 hex screw (M) on clamp (O) and move slide assembly (R) to the correct position and then tighten 1/2-20 hex screw (M).

To open Quik-Lok Clamp, move handle arm (W) to the right. To mount Quik-Lok clamp for counter-clockwise forming, remove clamp assembly from base by removing 3/8 hex screws (T-1) and (T-2). Remove mounting plate from bender base by loosening 1/2-20 hex screws (L) and (L-1). Press 3/8" dowel pins (K) and (K-1) through base (U) and turn plate over so 3/8" dowel pins can be inserted in holes (K) and (K-2) then bolt in position with 1/2-20 hex screw (L). This will place base (U) in a position 180° from its location in this photograph. Bolt clamp assembly on base with 3/8" hex screws (T-1) and (T-2).

OPTIONAL STAND

Part Number: 8230110-900

Stand Dimensions: 20" WIDE, 15" DEEP, 33-1/4" HIGH

CALL DI-ACRO FOR PRICE AND AVAILABILITY

Fasteners needed to attach Hand Bender to stand are the following:
(Fasteners to attach stand to floor are not included.)

Warranty & Limitation of Liability

Defective parts, of a product manufactured by DI-ACRO, will be replaced or repaired at no charge for twelve (12) months following delivery to the original purchaser. Labor is included for the first 90 days. This warranty becomes void when products have not been used according to instructions furnished by DI-ACRO, nor does it cover any altered parts or unauthorized repairs. We cannot be responsible for the cost of repairs made or attempted outside of our factory. All other warranty claims are made FOB our plant, providing such items(s) is returned freight prepaid to our plant for examination.

This warranty does not apply to parts, components or systems not manufactured by DI-ACRO. These products are covered instead by the existing warranties, if any, of their manufacturers. Normal service items with a reasonable life expectancy of less than one year are warranted only to the extent of the reasonable life under normal use and service.

Authorization must be obtained from DI-ACRO before returning parts or equipment to the factory. DI-ACRO will satisfy this warranty by replacing the product or refunding the purchase price upon receipt, inspection and defect identification.

DI-ACRO's liability under this warranty shall not exceed the amount paid for the product.

THIS IS DI-ACRO'S SOLE WARRANTY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WHICH ARE HEREBY EXCLUDED, INCLUDING IN PARTICULAR ALL WARRANTIES OF MERCHANTABILITY, FITNESS OR ANY LOSS, DAMAGE OR EXPENSES DIRECTLY OR INDIRECTLY RELATED TO THE USE OF ITS PRODUCT OR FROM ANY OTHER CAUSE OR FOR CONSEQUENTIAL DAMAGES INCLUDING, WITHOUT LIMITATION, LOSS OF TIME AND LOSS OF PRODUCTION.

IT IS EXPRESSLY UNDERSTOOD THAT DI-ACRO IS NOT RESPONSIBLE FOR DAMAGE OR INJURY CAUSED TO OTHER PRODUCTS, MACHINERY, PROPERTY OR PERSONS BY REASON OF THE USE OF ITS PRODUCTS.
